

Brand Elements:

Element	Details
Brand Name	Fischer
Logo	Black and dark grey for background primarily, white for text along with yellow to highlight keywords, red for major highlighting text in few pages for highlighting
Tagline	-
Packaging	Varies according to the product type, for future packaging will be shifted towards black and dark greys aligned with brand colour palette, with minimalistic text and clear product pictures
Language	Multilingual (primarily English), urdu only for billboards
Font	Poppins (18 styles will be used for headings, text, and captions)

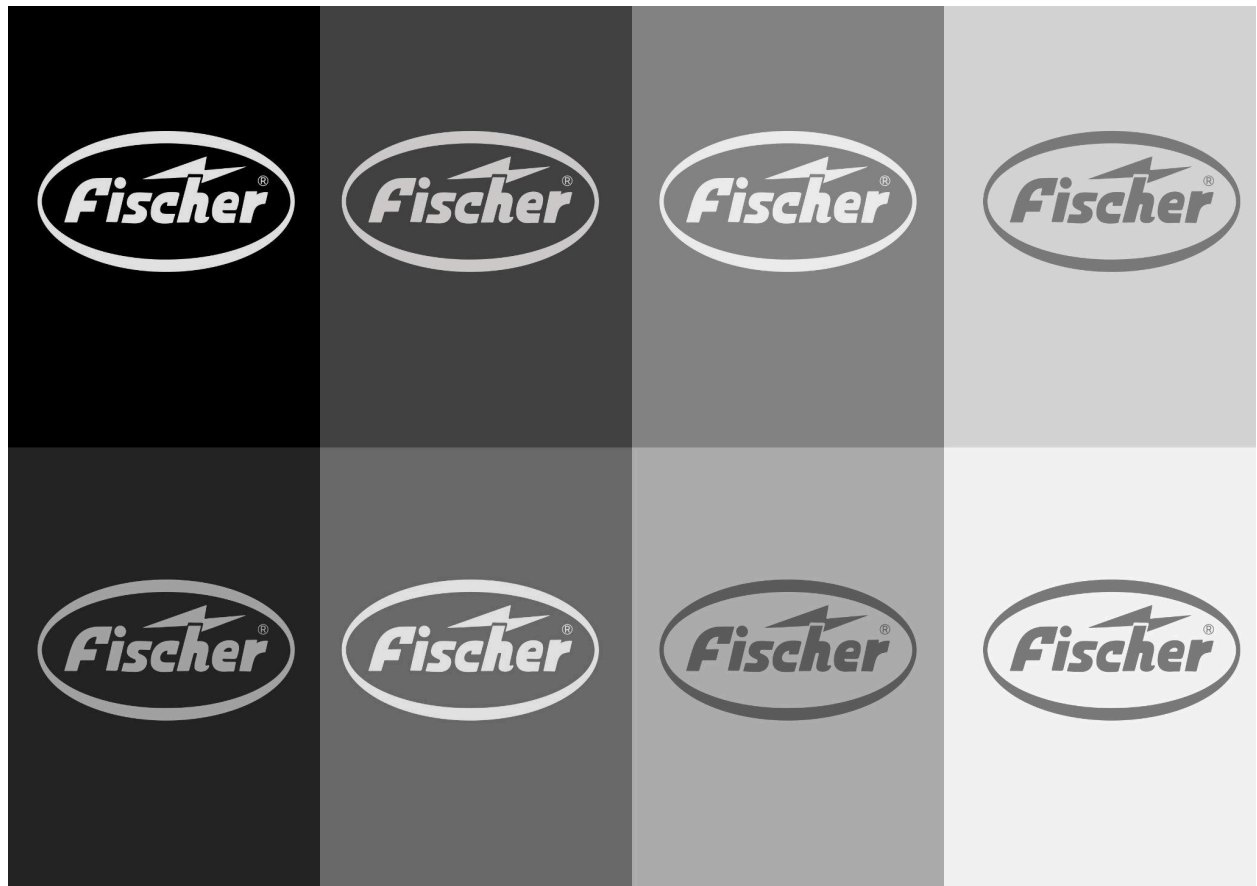

Logo:

The company's logo features the word "Fischer" in **white-greyish** letters set against a **white oval** background with a small registered trademark sign. This design is consistently displayed across all product packaging, and social media posts (where necessary) ensuring immediate brand recognition.

Logo Colours:

The template attached below is for reference to logo colour variation in **white and greyish** tones complimenting the backgrounds (**Black and greys**) (**#313131** and **#8e8e8e**). The brand will strictly adhere to the colour palettes (Black, Greys, white) and (Yellow and red) for text only wherever necessary, to keep a sleek and minimal look. Second reference picture also shows **Yellow colour** (**#f4b42c**)

contrasting the different background colours. This shade can be slightly adjusted according to the background.
